Occupation: _____

Educational background: _____

How did you hear about the World Business Academy?

What about the Academy drew you to apply for a membership?

What are the top five issues you believe the world must urgently address?

(List any combination of social, technological, environmental, or economic challenges)

WORLD BUSINESS ACADEMY

Sharing the Vision... Building the Network... Healing the Planet

Are there specific areas where you'd like to contribute your expertise, experience, or energy? (e.g., advisory roles, policy development, mentorship, project collaboration, community outreach)

What does "business as a force for good" mean to you?

I am interested in participating in Academy: ☐ think tanks ☐ webinars ☐ special events
